

October 2026 Newsletter

Welcome to the October Newsletter

Dear Members,

I hope you have all thoroughly enjoyed this year's calendar of events. Planning for next year is currently well underway, and the committee and I look forward to sharing the upcoming programme with you soon.

September proved to be a full and productive month featuring five Tuesday meetings, which included our very first Zoom lecture—boasting a fantastic turnout—alongside our annual Garden Competition. Congratulations to everyone who entered, and a special well done to our winners; you can view the winning entries later in this edition.

Looking ahead to October, we have an exceptional schedule lined up, including an audiovisual (AV) evening with Jorj, further insights from Damien Lovegrove, our much-anticipated Club Auction, and the Sports Competition. There is certainly plenty to look forward to.

For those who have yet to renew their membership, I am pleased to report that we have received an overwhelming response. Please note that the final deadline for renewals is October 27th, after which remaining places will be offered to our waiting list. Be sure to renew promptly to secure your spot.

Above all, thank you for your continued support of the club. Ultimately, strong attendance is the true measure of our success, and we deeply appreciate your consistent engagement.

We wish you an enjoyable month and look forward to seeing you on Tuesday.

Warm regards,

Darren Juggins
